## Parent Questionnaire response 2018

Thank you so much to those parents and guardians who took the time to respond to our summer questionnaire. We really do appreciate your careful and thoughtful responses.

This year we received 27 responses out of a possible 195. This is 4 more than last summer. It is encouraging that more parents provided us with a response although this is still a small percentage (13.8%).

Governors and staff have analysed the survey and the results have provided us once again with a good base for discussion that has helped shape our focus for moving the school forward. These plans will be included in the school Development Plan to help further improve the school.

It was also wonderful to read the heartfelt praise for what the staff and school does well – Thank you.

If you have any queries or questions about the outcome of the survey or any of the issues raised, please do not hesitate to get in touch with either the Chair of Governors, Mrs. Doreen Mackie or myself.

Thank you again for your continued support

Mrs. R Langley  
Headteacher.
