Use of Internet and Email in School

Digital technologies have become integral to the lives of children and young people, both within and outside schools. These technologies are powerful tools, which open up new opportunities for everyone. They can stimulate discussion, encourage creativity and stimulate awareness of context to promote effective learning. Learners should have an entitlement to safe access to these digital technologies.

This acceptable use agreement is intended:

- to ensure that learners will have good access to devices and the internet, be responsible users and stay safe while using digital technologies for educational, personal and recreational use
- to help learners understand good online behaviours that they can use in school, but also outside school
- to protect school devices and networks from accidental or deliberate misuse that could put the security of the systems and users at risk.

Acceptable Use Agreement (Years 3 / 4 / 5 / 6 pupils)

When I use devices, I must behave responsibly to help keep me and other users safe online and to look after the devices.

For my own personal safety:

- I understand that what I do online will be supervised and monitored and that I may not be allowed to use devices in school unless I follow these rules and use them responsibly.
- I will only visit internet sites that adults have told me are safe to visit.
- I will keep my username and password safe and secure and not share it with anyone else.
- I will be aware of "stranger danger" when I am online.
- I will not share personal information about myself or others when online.
- If I arrange to meet people off-line that I have communicated with online, I will do so in a public place and take a trusted adult with me.
- I will immediately tell an adult if I see anything that makes me feel uncomfortable when I see it online.

I will look after the devices I use, so that the school and everyone there can be safe:

- I will handle all the devices carefully and only use them if I have permission.
- I will not try to alter the settings on any devices or try to install any software or programmes.
- I will tell an adult if a device is damaged or if anything else goes wrong.
- I will only use the devices to do things that I am allowed to do.

I will think about how my behaviour online might affect other people:

- When online, I will act as I expect others to act toward me.
- I will not copy anyone else's work or files without their permission.
- I will be polite and responsible when I communicate with others and I appreciate that others may have different opinions to me.
- I will not take or share images of anyone without their permission.

I know that there are other rules that I need to follow:

- I will only use my own personal devices (mobile phones/USB devices etc.) in the school if I have permission. If I am allowed, I still have to follow all the other school rules if I use them.
- I will only use social media sites with permission and at the times that they are allowed.
- Where work is protected by copyright, I will not try to download copies (including music and videos).
- When I am using the internet to find information, I should take care to check that the information is accurate, as I understand that the work of others may not be truthful and may be a deliberate attempt to mislead me.
- I should have permission if I use the original work of others in my own work.

I understand that I am responsible for my actions, both in and out of school:

- I know that I am expected to follow these rules in school and that I should behave in the same way when out of school as well.
- I understand that if I do not follow these rules, I may be subject to disciplinary action. This could include loss of access to the school network/internet, detentions, suspensions, parents/carers contacted and in the event of illegal activities involvement of the police.

Acceptable Use Agreement (Nursery / Reception / Years 1 / 2 pupils)

This is how we stay safe when we use computers:

- I will ask a teacher or suitable adult if I want to use the computers/tablets.
- I will only use activities that a teacher or suitable adult has told or allowed me to use.
- I will take care of computers/tablets and other equipment.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or suitable adult if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computer/tablet.

Our School Mission Statement:

'Let the little children come to me'

St Matthew

The Venerable Edward Morgan Catholic School serves the area of Deeside to provide a Catholic education for the local parishes. We provide an environment founded upon the sound social and moral values the Church teaches. Within this environment and through our liturgies, assemblies and acts of worship our children grow intellectually, spiritually and morally as young Christians. We find an example of such growth into full maturity in the life of the Catholic Priest, Edward Morgan.

We recognise that in order to develop the gifts and talents which God has given children, we need to work in close co-operation with the home, parish and local community. In this spirit and guided by the Gospel and our Catholic traditions, we express below our main aims and aspirations.

- To provide a sound moral and high academic education within a Catholic ethos of love, care and concern.
- To cultivate in a friendly, homely and welcoming atmosphere, the academic, cultural, physical and spiritual development of each child.
- To understand the various needs of all pupils and to recognise the unique dignity and potentially of each as a child of God irrespective of his/her ability.
- To develop all the staff in the school in order to meet the school's objectives.
- To enable each child to recognise his or her own worth and value and that all pupils are equal worth.
- To prepare all children for their further educational experience and their eventual development as a whole and self-disciplined person.

The community of Venerable Edward Morgan Catholic School at all times and in all that it does, attempts to serve as a witness to the Catholic faith.

We will endeavour to provide the best education for every child.
