18 March 2020

Dear Parents & Carers

I write to inform you that the Welsh Government have announced today that all Welsh schools will close from 3:15pm on Friday 20th March 2020. This is subject to further changes as Governments are making decisions hour by hour. If you are required to self-isolate prior to this time follow the guidelines already set out by the UK Government.

Today all children will be provided with a home learning pack that will support their continued learning and progress over the next few weeks.

The pack includes details of how teachers intend to provide further activities should the period of closure continue after Easter. School will continue to communicate with you through our usual channels; website; ourschoolsapp; email; text messaging and seesaw, keeping you updated with new information as we receive it.

At this moment in time I am unable to clarify when school will reopen. As soon as I know I will inform you all. It is an unprecedented period and I would like to take this opportunity to thank you for your understanding and support at this time. Please look after yourselves and loved ones in the coming weeks.

Yours sincerely

Mrs R Langley
Headteacher
