Dear Parents/Carers

I have been informed that the Local Authority is in the process of strategically planning appropriate arrangements for parents who could be considered to be 'front line' workers, for whom childcare arrangements may need to be made.

To assist the LA with their arrangements I have been asked to collect information regarding which parents of pupils at Edward Morgan work under the following headings

- Medical professionals including doctors, nurses, midwives, paramedics etc.
- Other health workers - such as employment in a medical/health setting
- Community safety - police force and fire brigade
- Education - teachers, classroom support staff, school cleaners/caretakers etc
- Workers in childcare/early year's settings
- Social care/domiciliary care works

Please could you inform school if you work in any of the above.

I must make you aware that this does not mean our school will be open at any point in the near future.

Yours sincerely

Mrs R Langley
