Thank You

A huge thank you to everyone who came along and supported our Christmas Tree Festival. The trees looked wonderful and it was a great start to our Christmas preparations. Thank you to the Friends of the school who organised this great event and raised an amazing £2055.

Books Galore

Our recent Book Fair was one of the best we have ever had. It was so nice to see the children so enthusiastic about books. We gained over £400 commission with which to purchase books for school. So far we aim to buy new dictionaries & Thesauruses for Key Stage 2 and restock our peer reading books. The next Book Fair will be in April.

Reading Book Amnesty

Please could everyone check at home for any forgotten reading books, library books etc that maybe lurking under beds; hidden in cupboards; or behind the sofa. There will be no reprimands or fines!! We will simply be pleased to receive them back! Diolch

One Way System

May I remind all parents to be considerate when parking near the school. Please ensure there is adequate room for buses to turn and park and do not park across neighbour's driveways. Parents doing so cause great inconvenience to others and create danger for a number of children. For obvious reasons parents should not drive through the school gates. In order to facilitate access to and from school, it has been recommended by the Highways Department that we ask all parents to operate a 'circular route' approach to the school – driving **UP** Caernarvon Close and **DOWN** Chester Close. This would help reduce some of the problems encountered especially at 3:15pm.

The taxi companies are informed about this suggested 'One Way' system and we have asked them to follow this to ease congestion, however we have no power to enforce this and I understand the frustration when they simply refuse to comply.
