Dear Parent/Carer,

Tuition September 2018 – July 2019

Hopefully by now, you have had time to look at Flintshire Music Service's flyer giving advice for Parents considering starting music lessons for their child. Your son/daughter is currently receiving, or maybe wishes to start instrumental/vocal tuition with Flintshire Music Service. If you would like your child to continue or start instrumental/vocal lessons please complete the attached Agreement Form, indicating that you either wish to **continue** with the tuition or **start** having lessons.

This agreement is for a full academic year (September 2018 – July 2019). If you wish to discontinue tuition before the end of the academic year you are required to inform the school and music service in writing. **NB** No refunds are available if you decide to finish tuition before the end of the academic year, as Music Staff are bought in by the school on an annual basis.

The annual cost for a 30 minute shared instrumental/vocal lesson is £155. Tuition costs are heavily subsidised by both schools and Flintshire County Council (the local Education Authority) with parental contributions representing around one third of the actual charge. There will be a minimum of 30 lessons during the academic year. Last year Flintshire Music Service delivered on average 32 lessons, meaning that most learners received extra tuition for no extra charge.
