Relationships and Sexuality Education Programme Parent consultation

Dear Parents and Carers

In 2022, Relationships and Sexuality Education became statutory for all primary schools in Wales.

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The education of children in human sexuality is an important, precious and privileged responsibility. The Church teaches us that this is very much a partnership with parents, in which parents are the 'first educators' of their children on these matters; ultimately, you confer on us the right to co-educate your children with you.

Following the changes to the legislation for RSE in Wales, the diocese have researched various programmes that are available to support the teaching of RSE in Catholic schools and have decided to adopt Life to the Full by Ten Ten Resources. Ten Ten Resources is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work. As a school we already use Ten Ten to support our delivery of Collective Worship so we already know the quality of this resource.

Life to the Full has been approved by our diocese. Furthermore, Ten Ten Resources have entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the RSE statutory curriculum. Therefore, we are confident that this programme is a very good fit for our school.

Through their programme, Ten Ten Resources understand the foundational role that parents have in educating and nurturing their children on these matters. Within the programme, they have built in resources which will not only keep you informed about what is being taught in school, but will also give you the opportunity to engage your children in discussion, activity and prayer.

We would like to share with you more about the Ten Ten Resources Life to the Full programme. To this end, we have opened a consultation period during which we welcome your feedback and questions before we start to deliver the programme here in school later this term.

Ten Ten Resources have also provided an Online Parent Portal which will be a tool we can use throughout the year to keep you informed and updated about the work we are doing in school with children.

To access the parent tool, please do the following:

- Access the Parent Consultation Tool here: www.tentenresources.co.uk/parent-consultation-primary
